Cameras/Videos/Mobile Phones

Please note that anyone wishing to use photographic equipment, including video cameras must register with the meet convenor (application to be made on the appropriate SASA Health and Safety form). The use of mobile phones will not be permitted either on poolside or in the changing areas, this is in order to prevent any misuse of mobile phones with integrated digital camera/video equipment. Please ensure that all members of your club are aware of this requirement.

Officials: All clubs are requested to provide the number of officials as per the agreed list. Should any club have difficulty please highlight this to the official convenor. Name of officials should be submitted along with the entries.

General: There are restrictions in the number of people who are permitted at the venue and therefore spectator numbers may be limited. As this is an event for novices and younger swimmers it is tempting to invite lots of members of the family and friends. To ensure that all spectators gain entry the organising committee would be obliged you could restrict invitations. Thank you for your assistance.
